1. Minutes of the Previous Meeting

Due to various reasons there are no minutes from the previous meeting.

2. Mail Chimp

Mail chimp is now being used to communicate news to all members of the NAA. Advice had been sought from AGB and they advised that we are able to contact members in this way to inform them of the business of the NAA.

3. 2021 Outdoor championships

Attendees were asked for their thoughts and if their club has the capacity to host the 2021 championships. There was some general discussions and three clubs have agreed they could host; several others have said they don't have the capacity or capability at the moment. The clubs that can host are Norfolk Bowmen, Wymondham Archers and CONA possibly. Norfolk Bowmen and Wymondham Archers have said that if any club wants to host and use their grounds then they can do so. David Hall proposed that Wymondham Archers host the 2021 outside championships this was seconded by Ksynia Marko and agreed by majority.

Hayden Cook, asked if the medals could be presented with ribbons rather than just in plastic bags. It was agreed that this could be done.

4. Shooting Schedule

It was proposed to have a shooting schedule for the clubs that can take part in hosting any of the County Championships. This was agreed by majority.

There was then some discussions as to how this would look. A draft document shared with those attending.

5. Draft AGM Minutes

Everyone agreed that there are seemingly no errors with the Draft minutes. These will be published on the website as Draft minutes until the 2021 AGM.

6. AOB

Derek said that all clubs except one had now paid their subscriptions. He has had several grant claim forms returned. He reminded those attending that they need to be filled in before the end of the month.

Sarah said that due to the current circumstances she wanted to

The meeting closed at 20:50

Post Meeting: Wymondham Archers felt that as they were hosting the Indoor Championships in 2021 that it would be fairer for another club to arrange the Outdoor Championships in 2021, and they can host it in 2022. They spoke with Norfolk Bowmen who said they would be happy to and would either arrange them separately or with CONA. This will be confirmed once decided between them.

This is a true record of proceedings.
