

NORFOLK COUNTY
clout League

PROPOSAL FOR A NORFOLK COUNTY SUMMER CLOUT LEAGUE

► Objectives

- Promote and encourage inter-club cooperation across Norfolk
- Offer regular opportunity to shoot at different locations
- Chance for archers across Norfolk to meet like-minded individuals from other clubs
- A competitive, but fun league to help clout shooters improve their skills.

STRUCTURE

- ▶ Five leagues running simultaneously
 - ▶ Longbow
 - ▶ Barebow
 - ▶ Recurve
 - ▶ Compound
 - ▶ Combined
- ▶ The detail that follows is nothing more than suggestion at this stage and therefore subject to change.

- ▶ There should be a League Coordinator appointed by NAA to liaise with all concerned clubs.
- ▶ There shall be eight clubs taking part from across Norfolk. Each team shall appoint a Team Captain who shall liaise on behalf of their team with the Field Captains (see below).
- ▶ An appointed official must act as both Field Captain and Judge/Scorer, one for ladies and one for gentlemen by mutual agreement of both Team Captains.
- ▶ Venues for shooting shall be by agreement of all teams in advance of league commencement. Some venues (ie. Fakenham) could feasibly host two matches on the same day at the same time.
- ▶ Teams can chose to take part in one or more disciplines as required. There is no need to compete in all disciplines, that is a matter at the discretion of each club on a match by match basis.
- ▶ Gentleman archers shall shoot at 180yds and lady archers at 140yds.
- ▶ There shall be 2 ends of 6 for sighting followed by 36 scoring shots in 6 ends of 6.
- ▶ Matches will be every other Sunday at 2pm from 30 July to 10th October and therefore running for a total of 14 weeks (each team playing 7 matches).
- ▶ Scores to be emailed to League Coordinator for input and distribution of points and tables to all teams.
- ▶ Awards end of season: top team and top archer in each category.
- ▶ There is undoubtably an appetite for such a league, the question is how much.

SCORING

- ▶ The score for each discipline shall be the total scores of all archers in that discipline divided by the number of archers to give an average score (see Score Sheet example). This way, the number of archers for each discipline from each team becomes irrelevant. Note: all averages for scoring are rounded up to the nearest whole number.
- ▶ Points are awarded in all categories as follows: Win - 3 points, Draw - 1 point. In the event that both teams fail to have an archer in the same discipline, that will be considered as a 'no contest' and therefore no points shall be awarded.
- ▶ Equally, if one or more archers in a one-sided event (ie. one team fails to provide any opposing archers in a particular discipline) and the team that does have an archer(s) fails to score any points, then that is also considered a 'no contest' and again, no points shall be awarded.

Examples of match 1 score sheets (each discipline), match 1 summary of points and weekly score sheet follows.
